## EVENT PLANNING

## ABOUT THE CENTER

The Basilian Spirituality Center is a ministry of the Sisters of the Order of Saint Basil the Great, an international order of Eastern Catholic women consecrated to God.

The Center's mission is to bring Christ's praying, healing, and life-giving presence to all God's people through its programs.

## CAMPUS

The Basilian Spirituality is adjacent to Manor College and across Fox Chase Road from Saint Basil Academy. Our serene grounds include rolling hills, wooded acreage, and ample parking.

## RENTAL OPTIONS

We welcome non-profit and business groups for day or evening events as well as multi-day programs that do not require overnight accommodations.

Groups may rent individual spaces or the whole Center.

## CATERING

There are a number of caterers and restaurants nearby. Groups can make their own arrangements or choose to have the Center handle refreshments and meals.
